

Annual Membership Scholarship Application

If a participant or their family member is unable to pay the \$200 annual membership fee to be considered a resident in our programs, we will make every effort to help reduce this cost by offering a scholarship. Please note that scholarship funds are limited. ***It is important for participants to cover as much of the cost on their own that is possible, and only request the amount that is necessary.*** Many factors will be considered in the awarding of scholarships, including:

- financial need (*personal income, and/or guardian/family income under \$24,499*)
- access to programs (*are there other programs available to you if Reach isn't?*)
- fundraising contributions to REACH (*participants who have raised over \$200 in pledges at fundraisers will be eligible to receive a scholarship*)

Use the space available on these forms to explain why you are requesting a scholarship. The information provided here will determine who we are able to provide scholarships for. If you need to attach additional information, please feel free to do so. Scholarship recipients will be notified 1 week after the listed deadlines. Applications received after this time will be considered only if funds are still available.
