Last year, the donations helped us provide individualized services, support, physical and mental well-being assistance and fishing

programs to over 1,800 individuals throughout Minnesota and the Twin Cities metro. This year, we want to support even more individuals through both organizations.

Do you have a story about how Reach has impacted your life? And would like to share it for the Radiothon? If you do, please send us an email at: [info@reachforresources.org](mailto:info@reachforresources.org).
