

Masters Level Counseling/ARMHS Internship (LPC/LPCC)

Description

This internship is paid and does include mileage reimbursement and requires providing services in client's homes and at locations in the community.

Masters level students placed in this internship will complete client contact hours in both counseling and ARMHS (Adult Rehabilitative Mental Health Services) programs.

Currently we are able to consider: LPCC track students

Essential Duties and Responsibilities

- Maintain a combination outpatient therapy /ARMHS caseload (caseload determined by hours needed to fulfill internship)
- Complete diagnostic assessments, Functional assessments, and LOCUS
- Collaborate with individuals and implement compassionate, culturally responsive and effective treatment plans that reflect the individual's specific needs
- Support individuals in the development of skills and strategies to address mental health concerns
- Provide collateral consultation with other important parties to ensure the ongoing support and safety for all individuals
- Provide community resources to help maximize positive experiences and support
- Maintain confidentiality and build trusting, therapeutic rapport with individuals
- Assist in the facilitation of psychotherapy groups
- Knowledge of community resources.
- Ability to work independently, enjoy flexibility, and manage stress.
- Ability to learn, understand and utilize various telehealth, documentation and billing software.
- Professional verbal and written communication skills
- Documentation:
 - Complete all required intake paperwork including consent forms and billing information
 - Maintain up to date billing and documentation
 - Submit billing and other required information in a timely manner
 - Complete ongoing file audits to ensure compliance with insurance requirements
- Professional Responsibilities:
 - Engaged in weekly supervision with clinical supervisor
 - Demonstrate an ongoing commitment to the development of therapy skills
 - Maintain updated knowledge of referral sources and other community agencies
- Participate in other Reach for Resources functions and training as assigned

Benefits include:

- Flexible schedule
- Mileage reimbursement
- Personable and fun co-workers
- Caring, supportive supervisors
- A focus on wellness

Compensation

- . Clinical interns may receive compensation for internship hours completed.

Join a non-profit organization that is known for providing excellent care and services in the community. Reach for Resources empowers people of all abilities to reach their full potential and we are looking for a mental health therapist to join our team. Having experience in the diagnosis and treatment of children is highly desired.

Qualifications

- . Must be a current graduate level student at an accredited school with a focus in clinical counseling (LPC/LPCC).
- . Ideal candidates will have an interest in working with a wide range of ages
- . Knowledge of community resources.
- . Ability to work independently, enjoy flexibility, and manage stress.
- . Ability to learn, understand and utilize various telehealth, documentation and billing software.
- . Professional verbal and written communication skills
